ARE YOU READY FOR ADVENTURE THIS WINTER?

Winter is just around the corner, and if you are considering a winter adventure vacation in 2014, now is definitely the time to make your plans!

THE MAGIC OF WINTER, 2014

Our ever-popular *BEST Montana Women's Ski Clinic* at Bridger Bowl, Montana, described as "a gem in the Northern Rockies," with amazing terrain, spectacular scenery, no lift lines, and incredible women instructors, is what downhill skiing was meant to be. Right now, it is snowing in Montana!

Cruising India's Holy Ganges is like no other trip you may ever find in India. From the comfort of our replica, colonial-style "Clyde" steamer, this thoroughly modern ship makes cruising the Ganges River, and all our activities from the boat, a very special experience.

For an extraordinary winter wildlife week, join us in Baja, Magdalena Bay, one of the few places on Earth where one can experience such *Close Encounters with California Gray Whales*, the "Gentle Giants of the Pacific!"

The BEST of Chile and Easter Island. Are you intrigued by the mystery of the "mois," the giant stone heads on Easter Island? This unbelievable adventure to Chile combines beautiful hiking through the Colchagua Valley outside Santiago, experiencing the surreal moonscapes of the Atacama Desert, and a fascinating exploration of Easter Island, one of the world's most remote islands.

CIAO BELLA BLOG

Visit our blog, "*Ciao Bella*" ("Hello Beautiful" in Italian), and see the excuses that women make for why they don't want to learn to downhill ski. It's pretty interesting! See what has been newly discovered on Easter Island, why the Atacama Desert is the driest on earth, and hear about our recently returned adventure in Mongolia's Gobi Desert and Eagle Festival in "Tales from the Field."

Plus read the questions to ponder BEFORE you register for one of our trips in *Are YOU an Adventure Woman?*

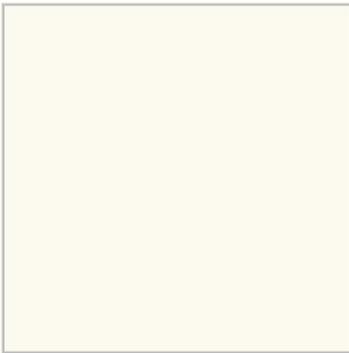

We hope you continue to like our new look. Don't forget to tell us what you think on [Facebook](#) or by [emailing us](#). We love hearing from all of you!
