We're going to Cuba NOW, while traditional Cuban culture is still strong, healthy and alive!

And P.S. Two of our 2016 trips are still in "2016 Trip Previews," but will be out soon. **Get on the Earlybird lists for these 2 trips** and you'll be notified when they are ready for registration.

"What a fantastic trip! The bear camp was awesome and we had many memorable close-up encounters with the bears. I was very impressed with the group of women I traveled with on this trip. Most of them were traveling alone on this adventure and we all became fast friends. Our AW guide, Stacy, took great care of us. I will definitely do another AW trip in the future. Many thanks."
