We love to feature quotes and photographs that our participants have sent to us. It's such a great testimonial to hear directly from them. Enjoy the Photo Gallery from our two Nepal Treks in the Himalayas!

Alaska is so amazing that we put together a video that shows all the amazing activities on our Alaska Bear Viewing & Wildlife Safari. Once you see what we do, how can you help but not want to join in on the fun!

Susan L Eckert

"Being in Africa makes me want to talk less, to be quiet and just listen to the sounds of hippos grunting, birds singing, frogs tinkling like tiny bells, lions roaring in the distance to claim their territorial rights. When we awake in the wee hours of the morning for our first game drive, there is absolute silence—a quiet so powerful that it often makes us uncomfortable because we are so accustomed to noise and idle chatter in our daily lives." - Susan L Eckert
