AdventureWomen - First and Still the BEST - Since 1982.

May 2016

HOT OFF THE PRESS!

Early last month I traveled to Los Angeles to meet kathy ireland®, the host of Modern Living with kathy ireland®, which features insights from corporate executives from all over the globe. This segment airs on Thursday mornings throughout North America on E! Entertainment Television and to over 50 countries throughout the world on Sundays on Bloomberg International as part of their sponsored programming segments.

I had a great time doing the "Hollywood" thing and getting dolled-up for my 7 minutes on camera. Kathy Ireland is a great interviewer and made me feel very relaxed, as we talked about AdventureWomen and my 34 years in business!

Also featured in the video is our February 2016 *Yellowstone Winter Wonderland* adventure, where participants Ann Deakyne and Lynne Srull were interviewed, and the film crew followed our group as they were snowshoeing along the Gallatin River in Big Sky, MT! We're repeating this popular trip in 2017 - see the details below! Only 11 spaces!

Please enjoy watching!

And to all AdventureWomen mothers, we wish you a splendid and adventurous MOTHER'S DAY!

Participant quotes from Yellowstone Winter Wonderland 2016: "What I remember most are the moments when I felt especially present and so happy with what I was experiencing ... the sleigh ride at dusk with the snow falling ... the wild things - bison, bald eagles, elk - ... the wonderful new AdventureWomen friends I met ... the mud pots and geysers ...following a wolf pack's tracks on snowshoes ... our fantastic guide, Leslie ... and driving a dogsled, the most amazing and thrilling experience!"
