ENDANGERED GORILLAS, LIGHTNING, AND 2017 TRIPS!

Our upcoming **Featured Trip for 2016** is nothing less than one of the best African wildlife safari adventures you will ever experience - **The Ultimate Gorilla Trek & Wildlife Safari in Uganda!** To be observing these rare and endangered gorilla families - mothers, babies, male silverbacks - from only a few feet away - is truly a powerful one-of-a-kind experience that redefines unforgettable. Plus excellent big game viewing of the Big Five awaits too! We rarely offer this trip, so do *not* miss the opportunity to go now!

Montana Woman Magazine's May 2016 issue features Susan Eckert in the article **When Adventure Calls, Susan Eckert Answers.** Read about why the author quipped: "I imagine I came as close as I ever will to holding lightning in my hand... ."

In our second **Ciao Bella** blogpost, read about **What Sets AdventureWomen Apart from the Competition.**

We're working really hard to post ALL of our **2017 Trips** on the AdventureWomen website. You can peruse 12 out of the 20 scheduled trips that are now completed, and ready for registration. Some are already over half filled! Take a look, and don't wait too long to reserve a space on a 2017 trip of a lifetime!

You can also see the **2017 Trip Previews** of adventures that are not yet posted, and get on the Earlybird list so you will be the first to know when each is ready for registration. They'll be up soon!

There's got to be a 2017 trip on YOUR bucket list!
