Experience and Conditioning

This downhill ski week is designed for participants of all abilities, from beginner to advanced. You will have a ski instructor based on your skiing ability, and classes will vary in numbers, but will remain small.

Beginning skiers will learn skiing fundamentals at a relaxed pace. Intermediate groups will develop parallel turns, and increase confidence on a wider variety of terrain. Advanced skiers can look forward to refining parallel turns plus coaching on bump and powder techniques.

The better physical condition you are in, the more you will enjoy your week. Making Travel Arrangements to Bozeman

We suggest you book your air reservations with our travel consultant soon after registering for this trip! We also suggest that you might consider coming in a day early (on Saturday). In addition to winter weather issues, airlines these days cancel flights often, so arriving a day early assures that you will be here on Sunday, the day the trip begins.

There is PLENTY to do in Bozeman if you arrive early. Plan to explore the fun town of Bozeman and its historic downtown area. The movies *"A River Runs Through It"* and *"The Horse Whisperer"* were filmed in the area! Coming a day early will also allow you to acclimate to an altitude of approximately 5,000 feet, as you will be at almost 7,000 feet at Bridger Bowl ski area. The upbeat atmosphere is that of "a small town in big britches." While images of cowboys, pioneer women and rowdy miners are still reflected by the locals' faces, the city's historic downtown has everything from gourmet restaurants to art galleries. The famous Museum of the Rockies, located on the Montana State University campus not far from downtown, was the permanent home to one of the largest and most complete Tyrannosaurus rex skeletons on exhibit anywhere in the world. It was recently sent to the Smithsonian to be on exhibit. In your final trip information, sent about a month prior to the trip, we will enclose a list of restaurants in downtown historic Bozeman, wonderful places to shop, and some fun things to do if you come early, or stay later.

In order to facilitate group arrivals and departures, we ask that you work directly with our travel consultants at **Travel Café** to make your travel arrangements. Either before or after booking your trip, please contact **Ciretta Green** at:

1-800-247-3538 OR FAX 1-406-586-1959

email: ciretta@travelcafeonline.com

CANADIAN RESIDENTS, please call 406-587-1188

When calling, please identify yourself as an AdventureWomen Traveler. If you leave a message on Ciretta's voice mail, she will return your call promptly. If you purchase your ticket through her, she can also help you with hotels and rental cars, should you want to come early, stay longer, or share a rental car or hotel room with another participant. **If you do not purchase your air**

ticket through Travel Café, you are responsible for making your own arrangements for hotels, rental cars, trip extensions, transfers, etc.

NOTE: The recent trend in travel is for travelers to finalize their plans much closer to departure time than was customary in the past. While we try to be as flexible as possible booking last minute registrants, we must often relinquish hotel space and air reservations up to 6 – 12 weeks prior to departure!

Please keep this in mind when making your travel plans.

What to Bring

Winter weather in Montana can be variable and extreme; one day it may be above 50 degrees, and the next day may be below zero! During previous AdventureWomen ski vacations at Bridger Bowl near Bozeman, MT it has often been anywhere from minus 10 degrees F to above freezing. Generally, however, this time of the year (late January/early February) has excellent winter weather. But please come prepared with the right ski clothing for winter conditions! We recommend layering as it allows you to add or shed clothing according to the weather, snow conditions and your level of exertion on the ski slopes.

NOTE: We are happy to report that Montana's Bridger Bowl is not a mecca of high ski fashion! Comfortable and practical ski clothes are the accepted norm!

- Ski outerwear – a wind-proof ski jacket and ski pants, your personal preference – be prepared for a wide range in temperature variation.
- Under your ski jacket: a down sweater, or fleece.
- Under your down sweater or fleece: a turtleneck (wicking layer/polypropylene) and wicking/polypropylene long underwear under your ski pants.
- Face mask and/or neck gaiter and/or buff.
- Gloves for warmer days, mitts with liners for colder days.
- Ski socks- when renting boots it is good to have socks in varying thickness to ensure the best fit.
- Ski hats, head bands, scarves.
- Extra clothes for après ski, very casual sweaters and pants.
- Après ski boots or shoes.
- Bathing suit for sauna and hot tub.
- Toiletries and personal items.
- Sunscreen and lip balm with sunscreen.
- Sunglasses and ski goggles.

- Underwear, sleep wear, robe, and slippers.
- Bandanas (better than Kleenex for blowing your nose.)
- Small digital camera for great photographs of your ski buddies and fabulous views from the top!

If you have your own ski boots and helmet that fit you well, we encourage you to bring these. Otherwise, these items are part of your rental ski package that is included in the trip price.

About Adventure Travel Today - Please Read Carefully!

At AdventureWomen, we would like to ensure that all participants understand that our excursions are *adventure travel vacations*, and not "tours." We define "adventure travel" as travel in which one *actively participates*, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to experience an *active, out of the ordinary vacation, and meet new friends*. Most of all, we want our trips to be fun!

In this spirit, the successful adventure traveler should be a *good-natured realist* and have a *sense of humor!* *Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist,* and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. *Being on time is important,* and contributes to the congeniality, success and well being of both individuals and the group!

Thank you for choosing to travel with AdventureWomen! If you have any questions or concerns, please don't hesitate to call, write or email us.
