## We're Off To New Frontiers!

**Spring is finally here and it's the perfect time to start dreaming about summer vacations, fall escapes and new frontiers in our futures.**

Find out in [Ciao Bella](#) what AdventureWomen say they dream about when they fantasize about travel adventures. Dive into the multisport fun and "insider insights" we'll show you in the Canadian Rockies. Learn some new fun facts about Russia. And our favorite post this month is all about our "women-to-women" opportunities included in our 2018 itineraries, unique experiences allowing you to meet and connect with local women - from pearl divers to beer connoisseurs!

We're quickly filling up our remaining 2017 trips so don't miss your chance to join us in Iceland, Costa Rica, Peru and South Africa! These are itineraries chock full of active adventure and "must see" cultural attractions, wildlife, history and more.

We hope you caught our sneak peek of our [twenty-six 2018 destinations](#) last week but not to worry, our trip previews will be out shortly giving you even more details about the fun in store for you next year.
