DAY 2

Appenzell

Appenzell is one of the most legendary towns in Switzerland. The center of town is well preserved, and has finely painted wooden houses and some stone buildings dating from the 16th century including the town hall, which is now a local museum. The “Landesgemeindeplatz” is the square where annual outdoor voting takes place.

Walking in Gontenbad

Take the train from Appenzell to Gontenbad this morning. Walk on a high plateau on trails through meadows and moor to Jakobsbad (2,850 feet).

Kronberg Mountain

Enjoy a fun toboggan run at the bottom station, and then continue by cable car up to Kronberg Mountain (5,450 feet). You will have magnificent views of the first range of the Alps with its high peak - Mount Saentis (8,300 feet). Enjoy lunch on your own.

Return to Appenzell

Choose to take the cable car and train back to Appenzell, or, if you'd like, get off the train in Gontenbad and walk back to Appenzell.

Visit a Local Museum

Visit a local museum - learn why women got the right to vote in Appenzell as late as 1991!

Dinner

Enjoy dinner and Swiss music with Talerschwingen. Yodeling has its origins in the call from mountain to mountain - the way locals used to communicate from Alp to Alp. The central theme of this music is the love of nature. The Talerschwingen is a game - the player holds a bowl in the palm of their hand, and a coin is thrown in. The player has to run the coin along the edge of the bowl in spirals without the money flying out of the bowl. Try your hand!

Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
