DAY 1
Sunday
1/23/22

Arrive in Bozeman

Arrive in Bozeman today. Bozeman is in the southwest corner of Montana and is the fourth-largest city in this rural state. Founded in 1864, the town's fertile land attracted permanent settlers. Today, Bozeman attracts residents and visitors for quality of life, scenery, and recreation. It has been named one of the best places for skiers to live in the west - a perfect place for your women's ski week! You are accompanied by an AdventureWomen Ambassador, committed to helping make your experience a fun and personally rewarding adventure, and cheering you on as you reach beyond your comfort zone to take on new challenges in your own unique way!

Arrival Information

Arrive at the Best Western Plus Grantree Inn in Bozeman today by 5:00pm.

Check-in at the Grantree Inn

When you arrive in Bozeman, you can call the Best Western Grantree Inn upon landing to confirm that the shuttle will be waiting for you.

If you want to arrive early, AdventureWomen can extend your hotel reservation at the Grantree - let us know soon though as they fill up quickly! If you want to ski on Sunday at Bridger Bowl, there is a shuttle service (Streamline bus service) that picks up/drops off at Kmart and the Fairgrounds (both close to the Best Western - the front desk can assist you). You will need to rent your own skis, boots, and poles for that day, as well buy a one-day lift ticket. If you decide to do this, ask the rental shop (at Bridger Bowl) if you can keep the equipment for the week, since on Monday morning the group will be getting fitted for this equipment anyway. A standard ski package is included starting Monday morning; performance equipment upgrade is \$20 per day and can be paid directly to the rental shop.

If you are not skiing until Monday morning with the group there is plenty to do in Bozeman, which is less than a mile from the hotel. There are great places to eat, and fun galleries and stores in town.

Welcome Dinner

Meet in the lobby of the Grantree Inn at 5:30pm. Kick off your trip with a welcome dinner and trip orientation along with your ski instructors for the week.

DAY 2
Monday
1/24/22

Bozeman

Bridger Bowl is a Montana ski resort made just for you! You will work with expert women ski instructors in small group lessons throughout the week. These small groups provide opportunities for personal attention, allowing women of all skiing abilities to improve their skiing, boost their confidence, and maybe even expand their comfort zones. This trip is perfect for all women, from those who have never put on skis to advanced skiers.

Ski Lessons

The camaraderie of skiing together with other women and your Bridger Bowl ski instructors is what skiers from our past clinics have valued as the most important aspect of the week - a stress-free environment in which each participant can learn to develop her skiing abilities at her own pace.

Après-Ski

The “après-ski” fun allows you to swap skiing mishaps and stories as you relax over a fine glass of wine in true AdventureWomen style! Explore the local restaurants in Bozeman with your new friends!

Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
