### **MORE amazing AdventureWomen trips in 2015!**

This year, take off to **Alaska** to explore the Kenai Peninsula as you hike to a glacier, enjoy a wildlife cruise in Resurrection Bay and fly by bush plane to what's been called "The Best Bush Camp in North America" to meet Alaska Grizzly Bears "up close and personal".

Discover the **Best of Costa Rica's National Parks** from tropical rainforests to volcanoes, whitewater rivers to waterfalls on our active and exciting journey to a unique set of ecosystems and wildlife habitats.

There's simply nothing like seeing an African lion lying beside your jeep as you grab your camera and capture another breathtaking moment in Africa. An all-time AdventureWomen favorite, our **Kenya, East Africa Safari** to see the **Serengeti Migration** (the "Million Animal" Safari), gives you a once-in-a-lifetime experience witnessing one of the most magnificent wildlife spectacles on earth.

**NEW** and a **"HOT Destination"** for 2015, our **Namibia Safari** showcases the unique desert-adapted wildlife and fascinating landscapes of this spectacular Southern African country. Trek to see rhinos and elephants, meet endangered cheetahs, and get a birdseye view of Namibia's golden dunes as you flightsee from camp to luxurious camp.

Check out **Tales from the Field** for a look at the Photo Gallery from our recent November **2014 Nepal Trek** and see why this breathtaking Himalayan journey is one of our most popular offerings, year after year.
