## HAPPY SPRING!

With such wild weather this winter, not sure where in the world it is "Spring". But officially, it is supposed to happen this Friday, March 20. Let's cross our fingers for THAT!

If you are feeling a little winter weary, now is a great time to envision yourself on your next adventure vacation escape with AdventureWomen. **How about Alaska** where you can silently observe mother bears and cubs just emerging from their winter sleep? Or what about paddling a canoe & "glamping" (aka glamorous camping) on Montana's Missouri River just like **Lewis & Clark** did more than 200 years ago?

Then there's exploring **Iceland**, a really popular destination with multiple activities and capping off each day, the summer sun skimming the horizon...at midnight! And you haven't REALLY adventured until you experience the most magnificent wildlife spectacle on earth on our **Kenya Migration Safari**, an *all-inclusive (land and air!)* safari across the vast savannas of the Serengeti Plain. Africa is our passion and this is EAST Africa (6,000 miles away from Ebola in WEST Africa).

With just a few spaces remaining on these exciting AdventureWomen 2015 trips, blow away those winter blues and dive into our **Photo Journeys to see** what you'll see and do on each of these fun escapes to destinations you can start dreaming about...**NOW!**

***Tales from the Field*** this month features Dee Hanley's stunning slideshow from our February Yellowstone Winter Wonderland (we'll repeat it in 2016!).

***Have you visited our Ciao Bella blog lately?*** Read **Fun Facts** below about the Alaska, Lewis & Clark, Iceland and Kenya adventures!

### ***A Few Reminders:***

- Please note that we have changed our email address to [trips@adventurewomen.com](mailto:trips@adventurewomen.com)
- We are beginning to list **2016 Trip Previews** on our website. There are 10 up now and they should all be there in April. Keep visiting for updates and get on the Earlybird lists!

We wish everyone a HAPPY SPRING, filled with fresh flowers and birdsong!
