## GO WILD IN 2015!

Our remaining 2015 adventures have a wonderful **WILD** side to them! Discover Utah on a hiking and rafting adventure through a "Wild & Scenic" section of the Colorado River. Enjoy hiking in Slovenia's undiscovered and uncrowded gem of the Julian Alps. Or what about roaring into free flight, galloping on your horse along a four-mile golden sand beach in Ireland! We know you'll agree that a "wild"life safari in Africa, "off the beaten track" on the Serengeti Plain definitely qualifies!

And perhaps "wild" in your definition means that your "tastes" lean towards our Northern California Ultimate Foodie, Wine and Outdoor adventure! Maybe you yearn for the "wild" sophistication of being on a private and catered French Barge in Southern Burgundy where you can drink superb French wine while sampling escargot! (honestly, with lots of garlic it is fantastic!)

Whatever your "wild" side leans toward, we know you'll love a 2015 or 2016 adventure vacation with AdventureWomen!

Our guests at AdventureWomen have some incredible stories to share about their adventure vacation trips with us. Here's what one woman had to say when we asked her to finish the sentence 'Never in my wildest dreams...' "...did I ever think I'd have the guts to take trips like yours!"
