Participant quotes from Yellowstone Winter Wonderland 2016: "What I remember most are the moments when I felt especially present and so happy with what I was experiencing ... the sleigh ride at dusk with the snow falling ... the wild things - bison, bald eagles, elk - ... the wonderful new AdventureWomen friends I met ... the mud pots and geysers ...following a wolf pack's tracks on snowshoes ... our fantastic guide, Leslie ... and driving a dogsled, the most amazing and thrilling experience!"
