email: info@adventurewomen.com

If you’d like to do anything prior to or following the AdventureWomen trip, we’d be delighted to help you arrange any trip extensions you’re interested in.

Note: The recent trend in travel is for travelers to finalize their plans much closer to departure time than was customary in the past. While we try to be as flexible as possible booking last-minute registrants, we must release hotel rooms two to three months prior to departure! Please keep this in mind when making your travel plans.
Packing Considerations: You can bring one 50lb suitcase, one carry-on bag, and one small day pack. Adventure Travel Today
At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not “tours.” We define “adventure travel” as travel in which one actively participates, as opposed to a “tour,” in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to experience an active, out of the ordinary vacation, and meet new friends. Most of all, we want our trips to be fun!

In this spirit, the successful adventure traveler should be a good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. Being on time is important, and contributes to the congeniality, success and well-being of both individuals and the group!
Arrive in Ottawa

Arrive in Ottawa today and make your way to the Days Inn (accommodation arranged on your own).

Dinner
Judi Wineland, AdventureWomen owner, will be in Ottawa and will take you out to dinner this evening. She will leave a note with the front desk with what time to meet in the lobby.

DAY 2
Tuesday
8/15/17

Ottawa to Baffin Island

Discover the remote and rugged beauty of the Arctic. Explore the awe-inspiring glacier-capped and studded coastline, majestic mountain peaks, and dazzling icebergs of southeastern Baffin Island in Canada, a rarely visited and spectacular landscape. Experience the long days and twilight of the Arctic summer, while the midnight sun casts a magical glow both day and night.

Flight to Qikiqtarjuaq
Depart Ottawa around 9:00am for Iqaluit, the capital of Nunavut, and then change planes for the connecting flight to Qikiqtarjuaq. You may want to bring a snack to supplement the lunch you will be served on the plane.

On the Flight
On the way to Qikiqtarjuaq, you will fly over Auyuittuq National Park. Keep an eye out for Mount Asgard and Mount Thor, and the world’s tallest, uninterrupted vertical cliff at over 5,000 feet of sheer rock. Qikiqtarjuaq is a small hamlet on Broughton Island with a population of approximately 600. A narrow channel separates the hamlet, which faces the large mountains of Akshayuk Pass of Auyuittuq National Park, from the main land of Baffin Island.

Transfer to Your Boat
On arrival in Qikiqtarjuaq, you will be welcomed by your expedition escort and transferred to a waiting boat.

Boat Ride to Base Camp
Threading your way past many islands along the mainland of Baffin Island, you will pass floating icebergs, reaching your camp after a 45-minute boat ride.

Arrival and Dinner
Upon arrival, settle in to your personal yurts and enjoy a deliciously prepared meal while watching the crimson red sky all night long.

Your camp is ideally located with a river passing through that provides fresh drinking water for food preparation and one of the best cups of tea or coffee you’ll ever have.

**Explore the Arctic**

Explore this stunning, barren landscape, looking for wildlife and soaking in the scenery.
Baffin Island

Each day provides an opportunity for adventure. Enjoy day trips to Akshakyuk Pass, where you can hike at the base of North Pangnirtung Fiord, as well as take a boat trip to the Penny Ice Cap Glacier for some hiking and exploration.

**Full Day of Exploration**

Enjoy another full day exploring this incredible area. While you aren’t out on the boats or on foot, you will have delicious meals at camp.
Baffin Island

Fishing for Arctic char right in camp and gathering fresh blueberries and blackberries nearby are popular activities, for sure!

Polar Bears  Keep your eye out for polar bears while you are on the boat!
Baffin Island

Wildlife discoveries are always a highlight. Bowhead whales are known to frequent an area just 30 minutes to 1 hour from camp. Polar bears can often be spotted on islands throughout the area. In some cases, more than 20 polar bears can be seen on a boat ride from Qikiqtarjuaq to your base camp. Also provided are inflatable kayaks that be deployed at any time for your personal use.
