Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a

Jakarta to Kalimantan

Borneo is the third-largest island in the world and the largest in Asia. It is home to one of the oldest rainforests on the planet, and is known for the native Bornean orangutans.

Morning Flight

After breakfast, return to the airport and board a morning flight to Pangkalan Bun on the island of Kalimantan, Indonesian Borneo.

Transfer to Your Klotok

On arrival you will be met and escorted to the nearby port of Kumai, where you'll board what the locals call a "Klotok," a wooden riverboat that measures approximately 19.5' x 6.5'. The boat is equipped with an upper deck that allows you to view the rain forest as you glide by. Travel into the Tanjung Puting National Park, located about two hours up-river from Kumai. It is not unusual to see female orangutans building their nests high in the treetops as you cruise up the river.

Lunch

Lunch is served on the way to your lodge.

Afternoon Along the River

Check into your lodge and settle in. Late this afternoon, you'll continue to explore and observe the many different forms of wildlife along the river. Enjoy dinner on the boat at the dock near your lodge.

Kalimantan

The Bornean orangutan belongs to the only genus of great apes native to Asia. Orangutans are highly intelligent - they use fairly sophisticated tools and have distinct cultural patterns in the wild.

Morning Ride up the River

Board the klotok to travel up river through the park to Pondok Tangui. Look for monkeys, birds, and other wildlife along the river bank.

Orangutan Feeding

Arrive at Pondok Tangui in time for the daily orangutan feeding at 9:00am. Walk into the jungle along small tracks and witness these incredible creatures in a natural habitat from just few feet away.

Lunch on Board

Have lunch on the boat as you continue upriver towards Camp Leakey. Prepared by the boat crew, your meal consists of delicious Indonesian dishes of fresh fish, chicken, beef, vegetables, and fruit with plenty to drink. During lunch the boat will turn from the "Big" Sekonyer to the "Small" Sekonyer branch of the river, otherwise known as Crocodile River. Living up to its name, this small river is the home to many crocodiles!

Camp Leakey

Arrive at the famed Camp Leakey, established in 1971 to support research activities in Tanjung Puting Wildlife Reserve. Take a look around the research center and learn about the local families of orangutans. Observe these impressive animals at another orangutan feeding, and perhaps see wild gibbons, macaques, and birds. Try to identify the orangutans from the "family photos" they have on the walls of the research center.

Dinner

Enjoy sunset and dinner on the boat as you cruise back to the lodge.

One Last Feeding

Enjoy one last orangutan feeding. Observe these thoughtful, fascinating creatures as they come feast on bananas for their breakfast.

Visit a Dayak Community

Cruise down the river to Kumai, looking for proboscis monkey, hornbills, kingfishers, and crocodiles along the way.
