DAY 3
Monday
4/25/22

Zion & Bryce National Parks

Over the last 200 million years or so, wind, rain, and seismic shifts have conspired to create some of the most beautiful vistas, scenic stretches, and jaw-dropping formations this planet has ever seen. Zion National Park is no exception. A perfect storm of factors has turned what was once a simple basin into a picturesque spot – all part of the Colorado Plateaus – that draws tourists from all over the world.

Sunrise Hike to Canyon Overlook

Today we will head into the park very early to Canyon Overlook to see the sunrise. Watching the sun creep up behind you and seeing how the colors change on Zion in front of you is something you won't forget.

Temple of Sinawava and the Narrows

After the sunrise we will hop on the shuttle and go into Zion Canyon to the furthest stop in the canyon to the Temple of Sinawava where we will hike the one-mile paved path to the Narrows. If weather permits, put on your water shoes and hike through the water up to two miles depending on weather.

Picnic Lunch

After the Narrows, take the shuttle to Zion Lodge. This is a perfect spot to have a picnic lunch and enjoy the view!

Hike to the Emerald Pools

After lunch we will embark on another beautiful hike in Zion: Emerald Pools. Emerald Pools has lower, middle and upper pools. All hikes lead to sparkling waterfalls and glistening pools. Majestic sights can be seen all along the trails and your guides will point all of those out. It's an easy 1.2 mile round trip to lower pools, 2 mile trip to middle pools, and 3 miles strenuous trip to the upper pools.

Enjoy the Ranch

After dinner take some time to relax in the hot tub.

DAY 5
Wednesday
4/27/22

Zion & Bryce National Parks

The major feature of Bryce Canyon National Park is Bryce Canyon, which, despite its name, is not a canyon but a collection of giant natural amphitheaters along the eastern side of the Paunsaugunt Plateau. Bryce is distinctive due to geological structures called hoodoos, formed by frost weathering and stream erosion of the river and lakebed sedimentary rocks. The red, orange, and white colors of the rocks provide spectacular views for park visitors.

Day in Bryce Canyon

Set out from the ranch with a boxed lunch for a day in Bryce Canyon National Park. Hike into the hoodoos via the Navajo Loop from Sunset Point. This beautiful trail gives you an up-close look at the National Park. Take some time to absorb your unique surroundings.

Jeep Tour

Our jeep tour will take you to the tippity top of Zion Ponderosa for 360 views to see the sunset on the western horizon. It's a bumpy ride but with our expert drivers you can sit back and enjoy laughing and making memories with your new friends as you see Zion from above.

DAY 6
Thursday
4/28/22

Zion & Bryce National Parks

Canyons that are ideal for canyoneering are often cut into the bedrock stone, forming narrow gorges with numerous drops, beautifully sculpted walls, and sometimes spectacular waterfalls. Most canyons are cut into limestone, sandstone, granite, or basalt, though other rock types are found. Canyons can be easy or difficult, though emphasis in the sport is usually on aesthetics and fun rather than pure difficulty. Canyoneering is enjoyed by people of all ages and skill levels.

Canyoneering Adventures

Saving the very best for last, harness up to join your friends and professional guides for the heart-pumping thrill of canyoneering! Whether you've never tried it before or you're an "old hand," this activity is suitable for everyone. Feed out the ropes as you descend step by step along steep red sandstone walls to land safely far down below. It might seem scary before you step out over the cliff, but by the time you reach the canyon floor, canyoneering might be your favorite sport!

Zion National Park and the surrounding area is one of the premiere places in the country for canyoneering. Your expert guides will help you make the most of your guided canyoneering adventure. This guided canyoneering adventure is suitable for beginners and even more advanced levels, and your guides are trained to assist you and ensure your safety. Enjoy a boxed lunch on your way!

Farewell Dinner

Have a farewell dinner with your new AdventureWomen friends. Reminisce over all the memories you have made and celebrate the end of an amazing journey through this truly spectacular area.

Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
