DAY 2
Monday
6/20/22

Reykjavík to West Iceland

Stretching from soaring peaks on its eastern boundary to the ghost-haunted shores of the Atlantic in the west, Snæfellsjökull National Park is a microcosm of Iceland's bewitching geography. Its crowning glory, Snæfellsjökull Glacier, rises 4,800 feet above sea level; its underlying volcano has been dormant for nearly 1,800 years.

Snæfellsjökull National Park

Head out of Reykjavík via the under-sea tunnel, and spend most of your exploring in Snæfellsjökull National Park, enjoying stunning views all along the way. Declared a National Park in 2001, the area has an astonishing variety of natural landscapes, including moss-covered lava fields, pebbled beaches, and rugged cliffs. Explore with the other women on your trip on foot for different vantage points in this amazing natural setting.

Lunch on Your Own

Enjoy lunch on your own today in a local café.

Breiðafjörður Bay Boat Trip

DAY 3
Tuesday
6/21/22

West Iceland

The town of Reykholt - a little hamlet set in the wide-open spaces of a fertile, pastoral valley - is a highlight of any visit to the west coast.

Visit Cave Viðgelmir

Visit the largest and most spectacular Lava Cave in Iceland this morning, Cave Viðgelmir. Hailed as the mightiest of Iceland's caves, its diversity and grandeur is unrivaled. Just shy of 5,250 feet, the cave features amazing colors and lava formations that lurk in the depths of the earth.

Visit a Goat Farm

Stop for a visit with Johanna Bermann at her Icelandic goat farm. In the year 2000, Johanna secured the last four hornless goats in Iceland, then on the brink of extinction, and bred them back to a sustainable population. She established the Icelandic Goat Conservation Center, and there are now over 800 Icelandic goats in the country!

Hraunfossar Waterfall

Visit the beautiful Hraunfossar waterfall, where cascades of spring water flow down the huge Hallmundarhraun lava field and trickle across the rugged landscape.

Europe's Largest Natural Hot Spring

End the day by soaking in the Krauma Spa at Deildartunguhver, the largest natural hot spring in Europe. Drawing on the geothermal reserves of the area, it pumps out a staggering 180 liters of boiling water each second, and the billowing clouds of steam created by this mighty fissure are truly impressive.

DAY 4
Wednesday
6/22/22

West Iceland to Flúdir

The charming village of Flúdir, with its rolling hills, streams, geothermal springs, greenhouses and mild weather is the ideal location for your explorations of the Golden Circle. Make sure to soak in the beauty of your surroundings.

Drive through the Kaldidalur Valley

Depending on the weather, drive through the haunting and barren beauty of the Kaldidalur Valley; you will pass four glaciers, then travel through a vast gray desert where ferocious sandstorms can appear in seconds. As the route climbs along the ridge, you'll get spectacular views of the glaciers.

Thingvellir National Park

Your next destination is historic Thingvellir National Park. You will see the spectacular natural amphitheater, where almost every important moment in Iceland's history has taken place. Today Thingvellir is still regarded with reverence by Icelanders, its historical weight reinforced by a serene natural beauty. Thingvellir sits right on top of the Mid-Atlantic Ridge, and you can clearly see the dividing plates and the lake-filled-valley that has developed between the plates.

Great Geysir Hot Spring and Gullfoss

Continue to the Great Geysir hot spring area and Gullfoss Waterfall (the Golden Waterfall), two of Iceland's most famous sights. Although the Great Geysir itself has been inactive since the 1960s, its neighbor geyser, Storokkur, fires off a 30-meter-high spout every few minutes.

Snowmobile Experience

Board a super truck and head through the Mars-like landscape to a glacier hut. Put on your snowmobile gear and learn how to operate your snowmobile. Drive off into the amazing glacial landscape. Two women will be on each snowmobile, and there will be a chance to switch drivers halfway through. You will need a valid driver's license to drive the snowmobile.

Horseback Ride and Þjórsárdalur Valley

Head to the farm Syðra-Langholt, where you'll get to take an hour and a half ride on the famous, gaited Icelandic horse! Head out on a trail from the farm, and you might even cross a river on your sturdy horses!

From the farm, drive toward the Þjórsárdalur Valley, enjoying a stop at the beautiful Hjalparfoss waterfall along the way. Stretch your legs at the Viking ruins (Stöng) and walk along to the paradise valley Gjáin. Gjáin is a tiny valley with lots of small picturesque waterfalls, clear, tranquil ponds, and amazing delicate volcanic structures. It is a perfect example of the natural beauty that Iceland has to offer. Enjoy a picnic lunch in an Icelandic forest today.

Secret Lagoon

On your way back to the hotel, stop for a soak in the natural hot springs of the Secret Lagoon. The pool's steam rising into the air gives it a magical feeling, and the temperature of the hot springs water stays at 100-104 degrees Fahrenheit all year round. Changing rooms with showers are on site.

Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
