DAY 1
Sunday
2/6/22

Arrive in Gardiner

Welcome to Montana! Gardiner is a small town that serves as a main entrance to Yellowstone National Park. The town got its name from a fur trapper who operated in the area in the early 1830s.

During your Yellowstone adventure, you'll get to know your expert Montana-based guide, who will help you discover this amazing, natural, winter wonderland. You are also accompanied by an AdventureWomen Ambassador, committed to helping make your experience a fun and personally rewarding adventure, and cheering you on as you reach beyond your comfort zone to take on new challenges in your own unique way!

Arrival Information

Arrive at the Best Western Plus Grantree Inn in Bozeman today before 1:00pm.

Pick-up and Transfer

You will be picked up at 1:00pm from the GranTree Inn and transferred to Gardiner, Montana.

Explore Mammoth Hot Springs

Head to Mammoth Hot Springs to explore the unique and famous "travertine terraces." This is an amazing area to discover; the terraces were created over thousands of years. As hot water from the springs cools, it deposits calcium carbonate, which created this stunning landscape.

DAY 2

Yellowstone National Park

Yellowstone National Park is in Montana, Wyoming, and Idaho, and was the first national park in the United States, established in 1872. It is known for its wildlife and geothermal activity. Its 3,468 square miles includes lakes, canyons, rivers, and mountain ranges, and it is home to hundreds of species of mammals, birds, fish, and reptiles, including the oldest and largest public bison herd in the United States.

Wildlife Viewing in the Lamar Valley

Head to the Lamar Valley in the northeastern part of Yellowstone National Park, where you can view wildlife with binoculars and a spotting scope, and have an overview of the local history and geology, as well as the ecology of the wolves, bison, elk, coyotes, birdlife, and other animals in Yellowstone. Enjoy a bagged lunch on the road today.

DAY 3
Tuesday
2/8/22

Yellowstone to Big Sky

Big Sky, in the southwestern corner of Montana, is just miles from Yellowstone National Park. In the winter, the area is known for alpine skiing, Nordic skiing, snowshoeing, and sleigh rides.

Soak in the Boiling River

There may be an opportunity to soak in one of Yellowstone's wild and natural hot springs, while you are staying in Gardiner and the Northern Range of Yellowstone. If you are interested, please bring your swimsuit, water shoes, and an adventurous spirit to wear in the river. You will be able to use hotel towels. Due to river flows, weather, unscheduled Boiling River closures, etc. this activity is not guaranteed.

Drive to Big Sky

Depart Gardiner this morning and drive north through Paradise Valley and along the famous Yellowstone River. Travel along the Gallatin River (where much of the movie "A River Runs Through It" was filmed), to Big Sky, Montana.

Walk to Ouzel Falls

Walk on a snow-covered trail for one mile to Ouzel Falls. Designed and built by the Gallatin Valley Land Trust, the trail accesses a spectacular 60-foot waterfall where the South Fork of the Gallatin River falls over a break in the Canyon. In the winter, these falls are frozen with magical ice crystals, forming a lacy curtain of rime (an accumulation of granular ice tufts on the windward sides of exposed objects that is formed from supercooled fog or cloud and built out directly against the wind) and other treasures that the cold weather brings.

Afternoon and Evening

Enjoy the remainder of the afternoon at leisure. Dinner tonight will be catered with the group.

DAY 4
Wednesday
2/9/22

Big Sky

Enjoy another day in the stunning Big Sky area. The winter landscapes here are magical.

Backcountry Snowshoeing

Take a short drive to a remote corner of the Yellowstone ecosystem close to the National Park. Put on your snowshoes and begin your adventure at the trailhead. See signs of how wildlife survives the struggles of winter, the magic sculptures that snow-covered trees form, and hear the silence that such a snow-blanketed landscape offers. Your route follows a large creek most of the way as you travel along rolling terrain for about four hours. The distance you travel depends on snow conditions and how often the group stops. Enjoy a boxed lunch along the way.

Sleigh Ride

At 5:30pm, get ready to glide beneath a deep-black, star-dotted Montana sky, with only the sound of crunching snow and the jingling harnesses of the Percheron draft horses, which are skillfully guiding you along the frozen Gallatin River. The wool-wrapped wranglers talk about the 320 Guest Ranch's remarkable history and will maybe tell a few tall tales along the way. Arrive at the mountain man campsite, where you will be handed a steaming mug of cowboy chili and some hot cider spiced with rum!

Dinner and Rest

Return to the ranch for dinner as a group before turning in after a busy day, to your comfortable, cozy log cabin.

DAY 5

Big Sky

West Yellowstone is an ideal place to view the wildlife the Park is known for. Old Faithful, a cone geyser that erupts every 45-125 minutes is also located in this area of the park.

Snow Coach Tour

In West Yellowstone, take a private and spacious 14-passenger snowcoach tour into Yellowstone National Park and to see Old Faithful. Sit back and relax in the winter wonders of Yellowstone while enjoying a guided tour in comfort and warmth into the park's pristine winter environment.

Travel at a comfortable pace with outstanding views and opportunities to get out and take pictures along the way. You will look for bison, elk, and coyote, and experience the greatest concentration of geysers in the world. Journey along the Firehole and Madison Rivers where you can see bird life that includes Trumpeter Swans, Bald Eagles, and a variety of ducks, geese, and possibly water ouzels. Continue to Fountain Paint Pots and Biscuit Basin and see the sights at Old Faithful. If you're lucky, you just might catch a glimpse of Old Faithful geyser erupting. Winter around Old Faithful Geyser Basin is magnificent, and you can see lots of animals, steaming pools, geysers, and surreal surroundings that glisten like diamonds in the sun and snow.

Big Sky to Bozeman

Say goodbye to Yellowstone today and drive to Bozeman, the fourth-largest city in Montana. Founded in 1864, the town's fertile land attracted permanent settlers. Today, Bozeman attracts residents and visitors for quality of life, scenery, and recreation.

Dogsledding

No other method of travel over snow can compare with dog sledding! This trip is one you will never forget. The energy, excitement, and enthusiasm of these amazing huskies is a wonder to behold. The dogs love to run and their high spirits and big, lovable hearts will quickly win yours.

Experienced guides give hands-on instruction so you can feel, first-hand, the thrill of driving a sled dog team. Lift your foot off the brake and make for the hills as the dogs "mush" ahead. The ten-mile trip allows for plenty of photo opportunities and snack time as you travel through the beautiful mountain scenery of Moonlight Basin Ranch. If riding is more your style, you are welcome to ride inside the sled.

Lunch

Stop for lunch on your own at a local restaurant and take some time to walk around town.

Return to Bozeman

Head back to Bozeman and check into your hotel.

Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

good-natured realist and have a sense of humor! Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
