What could be better than a true Canadian pastime in a truly Canadian setting? Right near an ice castle, you will go skating on the frozen glacier lake (unless there is a storm the night before, then you and your friends will make snow angels and hike to a frozen waterfall to spot ice climbers near the Victoria Glacier!). A historic afternoon tea and lunch will warm you up in the beautiful Chateau Lake Louise.

#### Free Afternoon in Banff

After enjoying high tea at Chateau Lake Louise, you'll drive to Banff where you will have the afternoon free to explore the many shops and cafes, or take some time to sit in the upper hot springs. Banff boasts museums, natural beauty, and, of course, Canadian treats like beaver tails and fudge!

### Adventure Travel Today

At AdventureWomen, we want everyone to understand that our excursions are adventure travel vacations and not "tours." We define "adventure travel" as travel in which one **actively participates**, as opposed to a "tour," in which one is more or less a passive observer. AdventureWomen designs and organizes vacations all over the world for women who want to **experience an active, out of the ordinary vacation, and meet new friends**. Most of all, we want our trips to be **fun!**

**good-natured realist and have a sense of humor!** Adventure vacations, by nature, require that participants be self-sufficient, flexible, and able to accept situations as they exist, and not just as they would have preferred or expected them to exist. The constraints of scheduled group traveling also necessitate that each of us be understanding of and sensitive to others. **Being on time** is important, and contributes to the congeniality, success and well-being of both individuals and the group!

In this spirit, the successful adventure traveler should be a
