

# PACKING LIST - CANADIAN ROCKIES - SUMMER

## PACK YOUR BAGS!

The AdventureWomen team has curated this list for your adventure in the Canadian Rockies. It is meant to provide packing guidelines, but please also think about how you travel and what works for you as individuals. If you have any questions, please don't hesitate to ask! It's what we are here for.

## Dress for the Weather

Be prepared for a range of weather, and dress in layers. Weather is always unpredictable in the mountains - dress accordingly. You will want outdoor clothing and gear to be safe and comfortable. Most summer and fall days you will be comfortable in a t-shirt and light pants, however, you should still be prepared for rain and maybe snow at higher elevations - weather in the mountains is always unpredictable!

- July: low 45°F / high 75°F

- September: low 40° F / high 62° F
